Boys & Girls Clubs
of North Central North Carolina

Dear Boys & Girls Clubs of North Central North Carolina Parents,

I hope this letter finds your family healthy and safe. As a parent of two daughters, I realize the confusion, uncertainty, and fears surrounding COVID-19. In addition to the racial injustice throughout the country. All of our lives have been disrupted in a major way. We are all trying to navigate life as best we can in the new societal norms.

Due to COVID-19, we had to close our doors to our Club members. Many of you have engaged in our Virtual Summer Program and have received healthy dinners. I want to commend our Area Directors and Unit Directors for their unwavering commitment to providing seamless services to our families.

While local school systems finalize their plans, I know that many of you are wondering if, when, and how we will operate. Communication between local school systems and Boys & Girls Clubs continue. We are working to finalize our reopening strategy.

As of today, we will open the following locations on **Tuesday, September 8th (Hours TBD)**:

- **Granville Unit**
- **Vance Unit**
- **Franklin Unit**
- **Franklinton Middle School Unit**
- **Halifax Unit**

We are still waiting on an approval from the local school systems to open the following locations:

- **Mariam Boyd Elementary Unit**
- **Northside K-8 Unit**
- **West Oxford Elementary Unit**
- **Creedmoor Elementary Unit**
- **Inborden Elementary Unit**
- **Everetts Elementary Unit**

Although several locations will be open, due to social distancing requirements and guidance from the local health professionals, we **WILL NOT** be able to operate at full capacity. Capacity will be determined, as we continue to evaluate our Club spaces. Our current plan is to offer in person Club services and virtual programming.

We realize that in person Club operations will not be available for all of our families. We are working diligently to provide opportunities that allow each of our members to engage in programming. As we move forward in our reopening strategy and procedures, you will be contacted by your Area Director/Unit Director. If your contact information has changed, please contact your Club to update your information.

- **Granville Unit - (919) 690-0036 ext 121**
